QUESTION 02 Read the text and answer the questions

The elephant is a big animal. It has a long nose and big ears. Elephants need to live in very large areas because they eat and drink so much. They eat grass and leaves. They are mammals. They have four legs. We can see elephants in the zoo or watch them on T.V. The elephant is bigger than the mouse. Dogs are thinner than elephants.

a- Choose the correct answer from a, b, c or d:

1 – the elephant have ....ears .

A – big b – small c – thin d – tall

2 - Elephants live in

A – sea b – home c – large areas d – small areas

b- Answer the following questions:

3 - What does elephants eat?

4 - Which animal is bigger: "The elephant" or "The dog"?

Hi, I'm Zain. My grandparents live in a cave. The rooms of their house are in the rock. Inside, it's never too hot or too cold. My aunt moved to a new apartment. She's very happy because she has a big balcony. My friend and his family live in a houseboat. It's small, but he likes living on water. I love living in a house because it's big. I can play outside with my brother and sister.

A-choose the correct answer from a, b, c, or d:

1 - The underlined word inside refers to a ....

A – balcony b – cave c – house d – school

2 - The main idea of the text is about ....

A – your aunt b – your house c – different houses d – kind of food

Damietta is a big Egyptian governorate. Its land is rich in nutrients. The farmers there grow many foods such as rice, wheat, tomatoes, potatoes, lemons, grapes and guavas. They raise farm animals such as goats, cows and sheep, too. Fishermen catch thousands of fish in the sea. Damietta is famous for Domiati cheese. About one and a half million people live there. Life in Damietta is good.

Choose the correct answer:

1 (Damietta governorate – Domiati cheese – Fishermen) is the best title for the passage.
2 The life in Damietta is (bad – good – sad).

Answer the following question :

What do farmers in Damietta governorate grow?

Sarah's grandparents lived in the city, but they didn't like it. They wanted to have a farm. They decided to buy some land. They planted millions of seeds. They used rainwater to water the seeds. They planted trees and flowers. They grew many fruits and brought animals to land.

A-Choose the correct answer:

1-Sarah's grandparents decided to buy

(a new house- some land-some trees-some flowers).

2-They lived in...... (the village-the city-the farm-the land).

B-Answer the following questions:

3-What did Sarah's grandparents plant?

4-How did they water the seeds?

My name is Hani. I live in a big house. It has two bedrooms, a big living room, a dining room, a kitchen and a bathroom. My bedroom is my favourite room. I sleep and do my homework in it. I love sitting in the balcony, too. We grow plants and flowers there.

A) Choose the correct answers:

B) Answer the following questions:

3- Where does Hani grow plants and flowers?

4- What does Hani do in his bedroom?

The elephant is a big animal. It has a long nose and big ears. Elephants need to live in very large areas because they eat and drink so much. They eat grass and leaves.

check (True) or (False):

1. Elephants have small ears.
2. The elephant is a big animal
3. Elephants have short nose.
4. Elephants live in large areas.
5. Elephants eat meat.

True	False

I'm Waleed. I live on a farm with mom and dad. We plant millions of seeds to keep the farm green. We use the Nile to water the seeds. We grow many fruits like oranges and lemons. We are very happy.

1. Walid lives in a city.
2. They use the Nile to water the plants
3. They grow oranges and lemons
4. Walid's family is sad.
5. The farm is green.

True	False

The fennec fox lives in the deserts of North Africa. It's smaller than other foxes. Its ears are big. The fennec fox needs big ears to hear insects and small animals. It eats insects, small lizards and mice. It weighs about 1 kilogram. The fox loses heat from its ears during the day. The fox's thick fur keeps it warm at night.

A. Choose the correct answer.

1. The fox loses ... heat .... from its ears.
(heat – cold – water – food)
2. The fennec fox is ... smaller .... than other foxes.
(bigger - smaller – thinner – taller)
3. The fox's thick... fur .... keeps it warm at night.
(beak – feather – wing – fur)

B. Answer the following questions.

4. Where does the fennec fox live?
....
5. What does the fennec fox eat?
....

The River Nile is the longest river in the world. Many different fish live in it. Fishermen catch fish from the Nile. Farmers use the Nile to water their plants. There are many plants that grow beside the Nile.

check (True) or (False):

1. The River Nile is very short.
2. There are no fish in the Nile.
3. The River Nile is important for plants.
4. Fishermen catch fish from the Nile.
5. We grow many plants beside the Nile.

True	False

Hi! I am Ahmed. I like plants very much. At school, our teacher told us about how to grow grapes. First, you plant the grapes seeds in the soil and water them. After that, the seeds grow roots under the soil. Then, the shoot grows above the soil. Finally, the plant grows flowers and the flowers become grapes. My grapes are very delicious.

(A) -Read and tick (True) or (False):

1. The shoot grows above the soil .
2. Grapes grow and become flowers .
3. Seeds need water to grow roots .

True	False

(B)- Read and answer the following questions:

4- What does Ahmed like?

5 – Where do roots grow ?

We use our digestive system to digest what we eat. We put food in our mouths. We chew food with our teeth. Then the food goes down the esophagus. It arrives in the stomach. In the stomach, the food mixes with the gastric juice. The gastric juice changes the food into a simpler form to get energy and nutrients. We need the energy and nutrients in our body.

A. Choose the correct answer.

1. The food goes down the …...........................
(heart – diaphragm – lungs – esophagus)
2. We need the energy and .... in our body .
(nutrients – fats – oils – carbohydrates)

3. We chew food with our ....
(ears – teeth – hands – nose)
B. Answer the following questions.
4. Where does the food arrive?
....
5. What changes the food into a simpler form?
....

12

Adam's grandparents live in the city , but they didn't like it . they wanted to have a farm . they decided to buy some land . They planted millions of seeds . They used rainwater to water the seeds . they planted trees and flowers . they grew many fruits and brought animals to the land .

(A) – Choose the correct answer :

1 – Adam's grandparents decide to buy some ....

(a – land b- shop c- animal)

2 – Adam's grandparents live in the ....

(a- village b- town c- city)

3 –They grew many .... (a- flowers b-animals c-fruits)

(B) - answer the following questions :

4 – What did they use to water the seeds ?

5 – How did Adam's grandparents change the land ?

I'm Nour. My mom's birthday is tomorrow. My sister, my brother and I want to make her a cake. We add flour, milk, sugar and egg. It is delicious. We stir well and bake for 20 minutes .

check (True) or (False):

		True	False
1	The children make dad a cake.		
2	The children add four things to make a cake.		
3	His mom's birthday is tomorrow.		
4	Five children make the cake.		
5	The cake is delicious.		

The pollen in a flower makes new seeds. Seeds can travel from one place to another. Some seeds travel on water. Other seeds travel by air. The small plant cells take carbon dioxide from the air. I like the daisy because it is beautiful.

-Read and tick (True) or (False):

1. The pollen in a flower makes new seeds
2. Seeds that travel by air are heavy
3. The plant cells are very, very small
4. Green plants take oxygen from the air
5. The daisy is a beautiful flower

True	False

15

I'm Hussein. My uncle is a fisherman. He has a boat. Every morning, he goes to the Nile to catch fish. In the afternoon, my uncle goes home with a lot of fish. He sells some fish at the market. He cooks some fish and eats his lunch. My uncle likes his job because it's fun. I want to be a fisherman when I grow up.

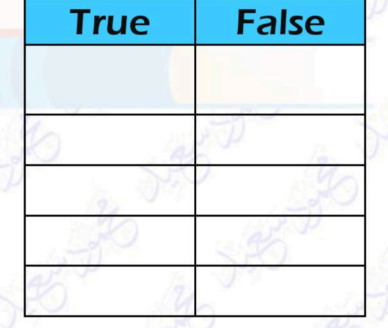

Read and tick (True) or (False):

1. Hussein wants to be a mechanic .
2. Hussein's uncle doesn't like his job .
3. Hussein's uncle catches fish from the Nile .

True	False

16

Noha likes to play tennis. Noha plays tennis with her friends on the weekends. She eats healthy food. She is strong and healthy. Noha is a very good tennis player.

Read and tick (True) or (False):

1. Noha likes to play basketball
2. She eats unhealthy food.
3. Noha plays tennis on the weekends.
4. She plays tennis with her sister
5. Noha is healthy.

True	False

17

A plant is made of millions of cells. The plant cells are very, very small. Chloroplasts make the plants green. You can only see them with a microscope. The green plant cells make food for the plant. They use sunlight, carbon dioxide, and water. They give us oxygen in return. In some cities, people grow plants in apartments and buildings for a cleaner air.

Choose the correct answer:

1- Oxygen is a gas that people need to (breathe – eat – drink).
2- (Oxygen – Microscope – Chloroplasts) make plants green.

Answer the following question:

How can plant cells make their food?

Ramy is a kind supermarket worker. He works in a supermarket near our home. He checks that everything in its place. Every Monday, we go with our dad to the supermarket to buy some candy and some cakes. Last Monday, we couldn't find the candy/Ramy helped us find the place of the candy and sweets. We were very happy. We said "thank you, Mr. Ramy. You are very helpful."

(A) -Read and tick (True) or (False):

	True	False
1 Ramy is very helpful.		
2 The children could find the candy.		
3 The children go to the supermarket every week.		

19

My cousin Malak lives in a small town. It is a good place to live in. It has a store, a post office and a hospital. Malak goes to a school next to her house. After school, she goes to the sports club to play basketball. She goes to a big park behind her house every Friday with her family. Life is good at Malak's town.

(A) -Read and tick (True) or (False):

	True	False
1 Malak lives in a big city.		
2 The town has many places.		

(B)- Read and answer the following questions:

3 – Where is Malak's school ?

Alexandria is a big city in Egypt. I visit Alexandria with my family in the summer. When I go to Alexandria, I swim in the sea. I play on the beach with my brothers and sisters. I visit Alexandria library to read books.

check (True) or (False):

	True	False
1 I visit Alexandria in winter		
2 I play on the beach		
3 I go to Alexandria with my friends.		
4 I can read books at Alexandria library.		
5 Alexandria is a small city.		

21

Tomatoes have seeds inside. We take the seeds to grow new plants. We put the seeds in soil. We put it in sunlight and water it. The roots grow under the soil. The shoot grows above the soil. The plant grows leaves and flowers which become fruits.

-Read and tick (True) or (False):

	Statement	True	False
1	Tomatoes are green before they are red .		
2	The roots grow above the soil.		
3	We use seeds to grow new plants.		
4	Plants in desert habitat need a lot of water .		
5	Plants do not need sunlight.		

QUESTION 03 Read and complete the text with the words in the box

1

(were – color – repainted – small)

My house is old . I wanted to make it beautiful I ....it the new ....Was green and red my friend helped me . we ....Very happy .

2

(cells – eat – carbon dioxide – breathe)

Oxygen is very important for life . people need oxygen to ....In big cities . the air is polluted because of factories and cars . there is a lot of ....In the air . plants help us clean the air . the plant ....Need it to make food for the plant .

3

(mangoes – grow – delicious – sugarcane- watermelon)

Fruits grow in different times of the year . We......... different kinds in Egypt. .... and................. grow in the summer. We get sugar from......... .Fruits are ....

4

(teacher - next - kind – town)

I live in a small ....My school is ....To a big park . My father is a ....He is a very ....He teaches English . Students like him very much .

5

(juice- lunch – chicken- delicious – fruits)

I'm hungry. I want to have my ………………. . I like to have ……………. and rice. The food is …………. I love ……………. too. I want to have watermelon and drink some ……………………….

6

(germination – flowers – red – yellow)

Our tomato plants are growing on the balcony ! they have leaves and …………………… tomatoes are green before they are ………………… We plant a seed and the plant grows . that is called …………………….

7

(fresh – polluted – cities – carbon dioxide)

People need oxygen so we can breathe . In big ……………… , the air is ……………. Because of factories and cars . There is a lot of ……………… in the air . the green plant cells need carbon dioxide to make food .

8

(house - in - Between - front)

My name is seif . I live in a village next to the Nile . I live in a ………………With my family . Our house is ……………….a pink house and a yellow house . There are tall trees in ……………….of the house

9

(beak – paw – hungry – thirsty)

A pelican and a bear are in the river . they are very …………………… They are both looking at a big juicy fish . the bear reaches for the fish . It lifts its …………………… the pelican opens its ………………… it is ready to take the fish out of the water .

10

(catch – live – goats – grow)

The land in Damietta governorate is rich in nutrients .The farmers can ……………… rice , tomatoes , wheat and grapes . fishermen ……………… thousands of fish in the sea , cows , …………. and sheep live in Damietta governorate . Domiati cheese is very famous .

11

(streets - collector - builder - deliver)

we need all jobs . All the local homes and businessmen need a mail carrier to ....The packages and letters . We all need the garbage ....To take away the garbage and keep the ....clean .

12

(say – make – talk – Egyptian)

Mohammed and wang are good friends . mohammed is ....but wang is Chinese . their parents are friends , too . they .... together a lot . they are sad when they....................... goodbye .

13

(day - leave – unplug)

we should save electricity . When we ....A room . We turn off lights . We ....television if we are not using it . We use natural light in the ....

14

(school - balcony - between - friends – hospital)

we live in a big house near the sea . We have a big ....We put flowers in it our house is ....The post office and the .... I walk to my ....Every day . It is wonderful . I meet my ....And play together .

15

(were – color – beautiful – friends – repainted)

My house is old. I wanted to make it.................... . I ....it . The new .... was green and red. My ....helped me . We .... very happy .

QUESTION 04 Read and match

	(A)		(B)
1	A rose is taller	a	Fruit
2	Egyptian farmers raise	b	Than a daisy
3	The lion is the	c	Big ears
4	The fennec fox has	d	Most dangerous animal
		e	chicken

2

	(A)		(B)
1	During the day	a	Our teeth
2	We chew food with	b	Fixes cars

QUESTION 07 write a paragrabh of 18 words using the following elements :

The steppe eagle

(open 30-40 years)

The steppe eagle lives in open areas. It is around 3 kilograms. It lives around 30-40 years. It eats small mammals and rabbits.

Plants

(Carbon dioxide – breathe)

Plants are very important. They help keep our environment clean. They take carbon dioxide and give out oxygen. We use oxygen to breathe.

The germination process

To grow any plant, we follow some steps. First, we put the seeds in soil. Next, we water the seed. The seed germinates. Then, the roots grow under the soil and the shoot grows above the soil. We water the plant. After that, the plant has flower. Finally, the flowers become fruits.

Different jobs

(builder – mechanic)

He is a builder. He builds houses. Makes the wall strong and safe. A mechanic fixes cars and buses. Cars and buses take us to school.

A garbage collector

The garbage collector is a difficult job. He's outside all day. He gets wet when rains. He is happy because he helps to dean the city. He is healthy because he walks every day.

The fennec fox

(desert - lizards)

The fennec fox lives in the desert. It has big ears. It is about 20 centimeters tall. It is about one kilogram. It eats insects, lizards and small animals. When it is hot, the fox loses heat from its ears.

Camels

(Strong without water)

Camels are strong animals They help us to carry things to cross the desert. Camel's milk is delicious. Camels have large, flat feet. They can live without water for a long time.

The digestive system

(teeth gastric juice)

We chew food with our teeth, then the food down the esophagus to the stomach. The food mixes with the gastric juice. The food turns into a simpler form to get energy and nutrients.

The respiratory system

(breathe - lungs)

We breathe through our nose. The diaphragm goes down and pulls air into our lungs. When the air arrives in our lungs, the oxygen goes into our blood. The heart pushes the blood around our body. Then the diaphragm moves up and pushes the air out of our body.

First aid

(fell - put on)

This boy fell off and cut his leg. He has a scrape. He should wash the scrape with water and soap. He should put on a band-aid. The next day he should wash the scrape again and redo the band-aid.

My house

(favorite room – balcony)

My family and I live in a big house. It has many rooms. My favorite room is the bedroom with a balcony, because I enjoy the view of the street and the garden

There are many kinds of homes such as houses, apartments, tents, caves and houseboats. Many people live in houses or apartments. People in the desert live in tents. People who love water live on houseboats.

My town

I live in a small town. It has many houses, stores, supermarkets, a shopping mall a park and a school. I go to school in the morning. I play football with my friends at the park in the afternoon. In the evening, I watch TV at home.

'My favorite job'

(teacher – help)

I want to be a teacher. It's a good job. I want to help children learn. I think I'm patient.

14
